QUALITY KNOWS NO BOUNDARIES. This year, more than 500 hotels reach scores above 72, including enough in Central America to generate its own Top 10 for the first time, led by **Casa Santo Domingo** in Antigua, Guatemala (91.7). Europe also rises as a powerhouse in 2008, with so many superb properties that we divided the list in two: Southern Europe, with 100 hotels, 8 of which have ratings above 95.0 led by Italy's **Il Pellicano** (97.1), and Northern Europe, with a list of 50 led by Budapest's **Four Seasons Gresham Palace** (96.4). Asia emerges with the highest rated hotel in the world this year, India's **Oberoi Udaivilas** (97.4), which is one of 6 Asian properties with scores above 95—and 3 of them are Oberois. Other chains with impressive showings: **Four Seasons** with 17 hotels in the 90s, **Ritz-Carlton** with 10, **Mandarin Oriental** with 6, **Peninsula** with 5, and **Hyatt** with 4.
