FEBRUARY 2010 ELLE.COM

# ROMANCING THE HOT STONE

From an ease-your-heartbreak hotel to a sexy love shack, these ELLE-approved spas will take your relationship to the next level

## Mend a Broken Heart

PARROT CAY, TURKS AND CAICOS

Even fashion editors get dumped. And when they do, they head to this Caribbean classic. Ayurvedic Dr. Feel Good Saraswati Dwarakanath will ensure you're too busy to mope by packing your schedule with several hours a day devoted to yoga or Pilates.

**TOP TREATMENT:** Choose between Drs. Hauschka or Perricone for a glow-getter facial, then try some herbal refreshment with a hot-oil *abhyanga* massage. [parrotcay.com.bz](http://parrotcay.com.bz)

## Where the Boys Are

THE PLAZA, NEW YORK

This newly renovated grande dame has made more appearances in rom-coms than Matthew McConaughey. Executive-produce your own love story: After a complimentary glass of wine at Caudalie Vinotherapie Spa, head down to the Oak Room, where banker bachelors blow their bonuses like it's 2007.

**TOP TREATMENT:** Real grape seeds smooth skin in the Crushed Cabernet Scrub. [fairmont.com/theplaza](http://fairmont.com/theplaza)

## Fall in Love

AUBERGE DU SOLEIL, NAPA VALLEY

Anxious about your first weekend away? At this Napa Valley hideaway, it's acceptable to self-medicate at wine tastings. By the end of the weekend, you'll not only know your Cabernets from your Shirazes, but also whether Mr. Right Now is Mr. Right.

**TOP TREATMENT:** Erase any remaining stress-induced kinks with a polyphenol-packed Vineyard deep-tissue massage. [aubergedusoleil.com](http://aubergedusoleil.com)

## Honeymoon, Sweet

FOUR SEASONS GOLDEN TRIANGLE, CHIANG RAI, THAILAND

Skip Bora-Bor-ing for a glam-ping trip (posh tents with fancy sheets and Wi-Fi) at the Four Seasons Tented Camp Golden Triangle, Thailand. After touring the jungle on the back of an elephant (the transport of choice), learn how to use that wedding-registry wok at a Thai cooking class.

**TOP TREATMENT:** The Mahout Recovery Treatment soothes sore muscles with Kaffir lime and lemongrass. [fourseasons.com/goldentriangle](http://fourseasons.com/goldentriangle)

## Love Reconnection

VERANA, YELAPA, MEXICO

The offspring of two former Hollywood set designers, this rustic eco-resort, perched above a deep blue Pacific bay, earns our vote as the most romantic place on the planet. Couples therapy, Verana style, includes daily trips to a private beach, jaw-dropping whale sightings, and unlimited tacos.

**TOP TREATMENT:** As addictive as a mocha latte, the Coffee and Cocoa Antioxidant Body Wrap moisturizes as it tightens skin. [verana.com](http://verana.com)

## Let Somebody Else Watch the Kids

RITZ-CARLTON, KAPALUA

The unique Jean-Michel Cousteau's Ambassadors of the Environment program keeps kids busy by day (rain forest hikes and tide pool zoology) and night (stargazing), giving parents plenty of guilt-free alone time at this iconic Maui escape.

**TOP TREATMENT:** Follow a traditional Hawaiian *lomilomi* massage (relaxes the mind, body, and soul) with an organic Éminence facial. [ritzcarlton.com](http://ritzcarlton.com)
